

# Khobar Towers Bombing Survivors Association

## August 2013 Newsletter

Well, August is upon us, and our association is moving forward with a list of current projects. I would encourage all Survivors and Family Members to feel free to suggest any projects they would like to see the Khobar Towers Bombing Survivors Association undertake.

Please, consider becoming a member. It is going to take an ongoing membership to keep the association alive and working towards our goals.

### Book Project

We are currently searching for an author to write a book about the Khobar Towers Bombing. The book will include:

- The background leading up to the bombing;
- The Iranian involvement;
- The Clinton/Albright involvement before and after;
- The various investigations;
- The betrayal of the families and survivors by the US Government;
- The personal stories and struggles of the families of the 19 and the survivors;
- The aftermath – lessons learned.

If you have any information, documents, photographs or suggestions that will help with this project please send them electronically to [projects@ktbsa.com](mailto:projects@ktbsa.com) or by mail to:

### 19<sup>th</sup> and 20<sup>th</sup> Anniversary Memorial Services and Gatherings

We are in the early planning stages for the reunions and memorial services. We have selected Eglin AFB as the preferred site for the memorial services because of the 33<sup>rd</sup> Memorial and their continued support of the families over the years; however, the *No Greater Love* organization held memorial services for the 5<sup>th</sup>, 10<sup>th</sup>, and 15<sup>th</sup> anniversaries at Arlington National Cemetery in Washington, DC. Our plans might be in conflict if they decide to hold a memorial on the 20<sup>th</sup> anniversary so we are forming a committee to work on these various issues. If you are interested in helping with this project please let us know.

### 20<sup>th</sup> Anniversary NASCAR Project

The **2016 Sprint Cup Race** at Infineon Raceway in Sonoma, CA will be held on the 26<sup>th</sup> of June and just as on the 10<sup>th</sup> and 15<sup>th</sup> anniversaries we are hoping to get NASCAR and the Air Force involved. We already have a commitment from *Signs by Tomorrow* of Brentwood, TN to provide the decals for this project.

### Memorial Identification and Catalog Project

We are aware that there may be many individual and group memorials out there honoring those killed at Khobar Towers. We would like your help in locating and photographing them so that they can be added to our Memorial page. We are specifically looking for photographs of the memorials at Offutt AFB, Nebraska and Wright-Patterson AFB, Ohio. Please send location and photographs to [memorials@ktbsa.com](mailto:memorials@ktbsa.com).
